[Docket No. CP98-171-000]

Koch Gateway Pipeline Company; Notice of Request Under Blanket Authorization

January 13, 1998.

Take notice that on January 7, 1998, Koch Gateway Pipeline Company (Koch Gateway), P.O. Box 1478, Houston, TX 77251-1478, filed in Docket No. CP98-171-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.216) for authorization to abandon a leased compressor unit, under Koch Gateway's blanket certificate issued in Docket No. CP82-430, pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Koch Gateway proposes to abandon, by returning to the lessor, a 1200 horsepower skid-mounted compressor unit located on its Index 201 low pressure pipeline system at its existing Hecker Compressor Station yard in Calcasieu Parish, Louisiana. Koch Gateway states that it installed this unit

as part of its low pressure lateral system for the purpose of lifting additional gas supplies from its low pressure system to its higher pressure system and ultimate delivery to the Lake Charles market area. Koch Gateway states that it will no longer need the compressor unit once its transportation contract with Union Pacific Resource Company (UPRC) expires in May of 1998. Koch Gateway also states that the proposed abandonment will have no impact on any of its existing customers, since this compressor unit was placed in service for UPRC.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Acting Secretary.
